

PERFECT OVERSEAS
Education Consultancy
"Think Global, Act Local"

" Education is a human right with
immense power to transform. "

Message from the Managing Director

Dear Parents/ Students/ Channel Partners

I wish to convey my heartfelt gratitude to all our students, Parents, Industry partners and wellwishers for their unconditional support and faith that they have reposed on us.

We are always striving towards the quality education at an affordable price for our Students. Our mission is to reach out to every individual to make education accessible and affordable. Education is the key for progressive society.

We have always felt that everyone deserves to have quality education to elevate their career in life. What is needed now a days, Industry specific education which will give you instant employability across the globe.

POEC has exclusive partnership with the best education institute in more than 100 Countries. We cover the whole gamut of courses for Under Grad, Post Grad and Master. We can guide you whether you wish to study, Medicine, Management, Engineering, Fine Arts, Hospitality, Aviation, Hotel Management or Logistic and Supply Chain Management.

There is a saying in English: "If a blind man leads to another blind man, both will fall into the pit"

The crux of the story is: You should take guidance from the domain expert who could help you to get your desired course, college / University and country of your choice. It's your career, you are the beneficiary of your success and you are the Architect of your future.

"A journey of thousand miles, always begins with the first step" and your first step is, your decision to study abroad.

We are here to hold your hands unless you reach to your dream destination for your higher study.

Wishing you all the best of luck, have a wonderful career ahead, touch millions of hearts and make your parents proud and make your country proud.

With my best regards & Salutation

Nain Singh
Founder and Managing Director
